STANDING RULE

POLICY REGARDING CONDO POOL SEASON

Generally, the Condo pool is open from Memorial Day through Labor Day each year. However, these are not arbitrary dates. Outlined below are policies to be carried out by the Board of Directors to determine the opening and closing dates.

- (1) For all KCCA pools, including the Condo pool, opening day is determined by a low temperature of at least 55 ° for three consecutive nights. This usually occurs around Memorial Day. This policy may be adjusted in any year by action of the Board of Directors.
- (2) Closing day of the Condo pool may be delayed beyond Labor Day at the discretion of the Board of Directors.

The Board of Directors will make the final decision in each case.
